## Curriculum for the Mentor Group Coach

- You
- Your Coaching
- Your Business Development

You – bring your personal experiences to your group and your mentor coach will guide you on your journey as a coach. A key to being a great coach is staying two steps ahead of your players. With that in mind we want to be sure your personal development is in alignment with your values.

- Are you walking your talk?
- Do you feel authentic in your coaching presence?
- Do you have a client who has the complete opposite view on a really sensitive issue than yours – can you remain judgement free?
- Do you recognize and own the value and strengths you offer your clients?
- If you are in the midst of a seriously difficult life moment happening and it is time for a coaching appointment, you are distracted and tired – what do you do?
